 INDSTW 13267 Letter/Order 2 07I003617 "The Larsens shall submit a
 technical report pursuant to California Water Code (Water Code) section 13267 to
 document compliance with Permit requirements. The burden of preparing the report bears
 a reasonable relationship to the water quality threat being addressed. The technical
 report shall be uploaded to SMARTS, respond to the violations cited in the enclosed
 inspection report, and provide the following technical information: ; A written
 description and photographs of improvements to BMPs for the Facility, including
 measures to improve housekeeping practices, spill and leak prevention, material
 handling and waste management, and erosion and sediment controls, as applicable to the
 observed Permit violations. ; An amended SWPPP for the Facility that documents
 improvements to the Facility BMPs."

S422804 Granite Rock Co Pavex Construction Granite Rock Co San Jose Aspha
 3/7/2016 Historical INDSTW 13267 Letter/Order 2 43I006555 "Granite
 Rock Co. shall submit the technical report required above pursuant to California Water
 Code (Water Code) section 13267. The technical report shall include the following. ; An
 amended SWPPP that documents improvements to Facility BMPs. ; A response to our concern
 about the potential for discharges near the asphalt plant and from the process water
 pond during storm events. Should a significant rain event occur, there is limited
 capacity for Granite Rock to allow for flooding near the asphalt plant and to capture
 storm and process water in a retention pond to prevent overflow discharges."
